ANNUAL REPORT OF THE TRUSTEES OF THE EPSOM PUBLIC LIBRARY

During the year we have used the money appropriated for painting the library building outside and hope with the money appropriated this year to whiten the ceiling and walls inside this year.

The Selectmen fixed the driveway, but as it did not hold, they will try this year to complete the job.

The trustees were represented at the district library meeting at Concord and State Library meeting at Durham.

Respectfully submitted,

GEORGE G. RING,
MARGERY C. YEATON,
FLORENCE L. YEATON,

**REPORT OF EPSOM VOLUNTEER FIRE
DEPARTMENT**

—0—

I submit the following report of the Epsom Volunteer Fire Department. Compared with other communities, our fire loss has been very small. The most serious fire occurring on the night of the wind storm, causing great effort on the part of our men in reaching the fire.

We have held our regular monthly meetings and sent delegates to the New Hampshire Firemen's Annual Convention.

We are fortunate to have added materially to our equipment, through the efforts of our members and town's people, with the idea always in mind of having better fire fighting equipment.

Our State Fire Warden, Harold S. Bickford, joins with me in asking the people to use due care in kindling open fires during this year, because of the serious fire hazard, and to report all fires promptly to the warden or his deputies.

Respectfully submitted,

CLARENCE E. BARTLETT,
Chief.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Epsom:

Under the recent reclassification of the grades, the work of the schools has been proceeding with increased satisfaction. The instruction is being carried on under the same group of teachers as last year. School property has been well maintained. Our elementary graduates are making good records in high school.

The deficiency appropriation asked for this year is due mostly to the making of necessary repairs and increased high school tuition due to pupils moving into town, together with a deficiency from the previous year due to a cut in the School Board's budget in the spring of 1937. If that budget had been passed as recommended, there would be a slight balance in prospect, instead of a deficit.

If one-room buildings are to be continued, I would recommend that the sheds at Short Falls and the Center, at least, be joined to the main building and new type septic toilets installed. This improvement is most urgent at Short Falls, where the children are of primary age.

Respectfully submitted,

CHESTER W. DOE,

Superintendent of Schools.
